**Harbour Women's Health Earns Best of the Seacoast OBGYN Title
for Third Consecutive Year**

Portsmouth, NH – Harbour Women's Health is honored to announce it has been named the Best OBGYN in the 2019 Best of the Seacoast Awards for the third consecutive year. Dedicated to quality standards and providing optimal care, the providers at Harbour Women's Health are committed to offering their patients personalized care with the quality of care they deserve.

"Harbour Women's Health is so appreciative of its wonderful patients and seacoast community," said Emily Amarosa, MD, of Harbour Women's Health. "As a patient-focused practice, we are committed to providing excellent quality of care to each and every patient. Our entire team is honored that our incredible patients and community would be inspired to take the time to vote for us. We are truly humbled to receive this award for the third consecutive year."

The Best of the Seacoast Awards honors businesses and institutions on the seacoast which are selected by a public voting process. The awards celebrate and recognize the best organizations in the Seacoast community and 2019 winners were announced on August 22nd during the annual winner celebration.

ABOUT HARBOUR WOMEN'S HEALTH

Located in Portsmouth, New Hampshire, Harbour Women's Health offers obstetrics and gynecology physicians, a fellowship-trained Urogynecologist, North American Menopause Society (NAMS) certified practitioners, and Women's Health Nurse Practitioners on staff to care for patients. Harbour Women's Health has been awarded Patient-Centered Specialty Practice Recognition by the National Committee for Quality Assurance and has achieved Safety Certification in Outpatient Practice Excellence from the American Congress of Obstetricians and Gynecologists. For over 50 years, Harbour Women's Health providers have focused on both progressive and conventional care, while maintaining a conservative approach to surgery. Harbour Women's Health supports local community and related women's causes, including

Families First, where Harbour Women's Health providers offer obstetrical care as part of a collaborative effort with the organization. The practice was voted First Place for Best OB/GYN in 2017, 2018 and 2019 in the Best of the Seacoast and is proud to have two providers named as New Hampshire Magazine 2019 Top Doctors.
